SKIING TRIP

The Outdoor Adventure Club has had another fun-filled year at Westview. We started the year with a mountain biking trip. In November we went indoor rock climbing. In December we went hiking for the day. In February, some really adventurous members went winter camping. In March we went downhill skiing. Our final adventure for the year will be a three-day backcountry wilderness camping trip in Algonquin Park.

Celebrate Africa

On February 23 and 24, 2006, Westvies held its annual African Heritage Assembly. It was the culmination of a month of events celebrating the history and contributions of people of African descent.

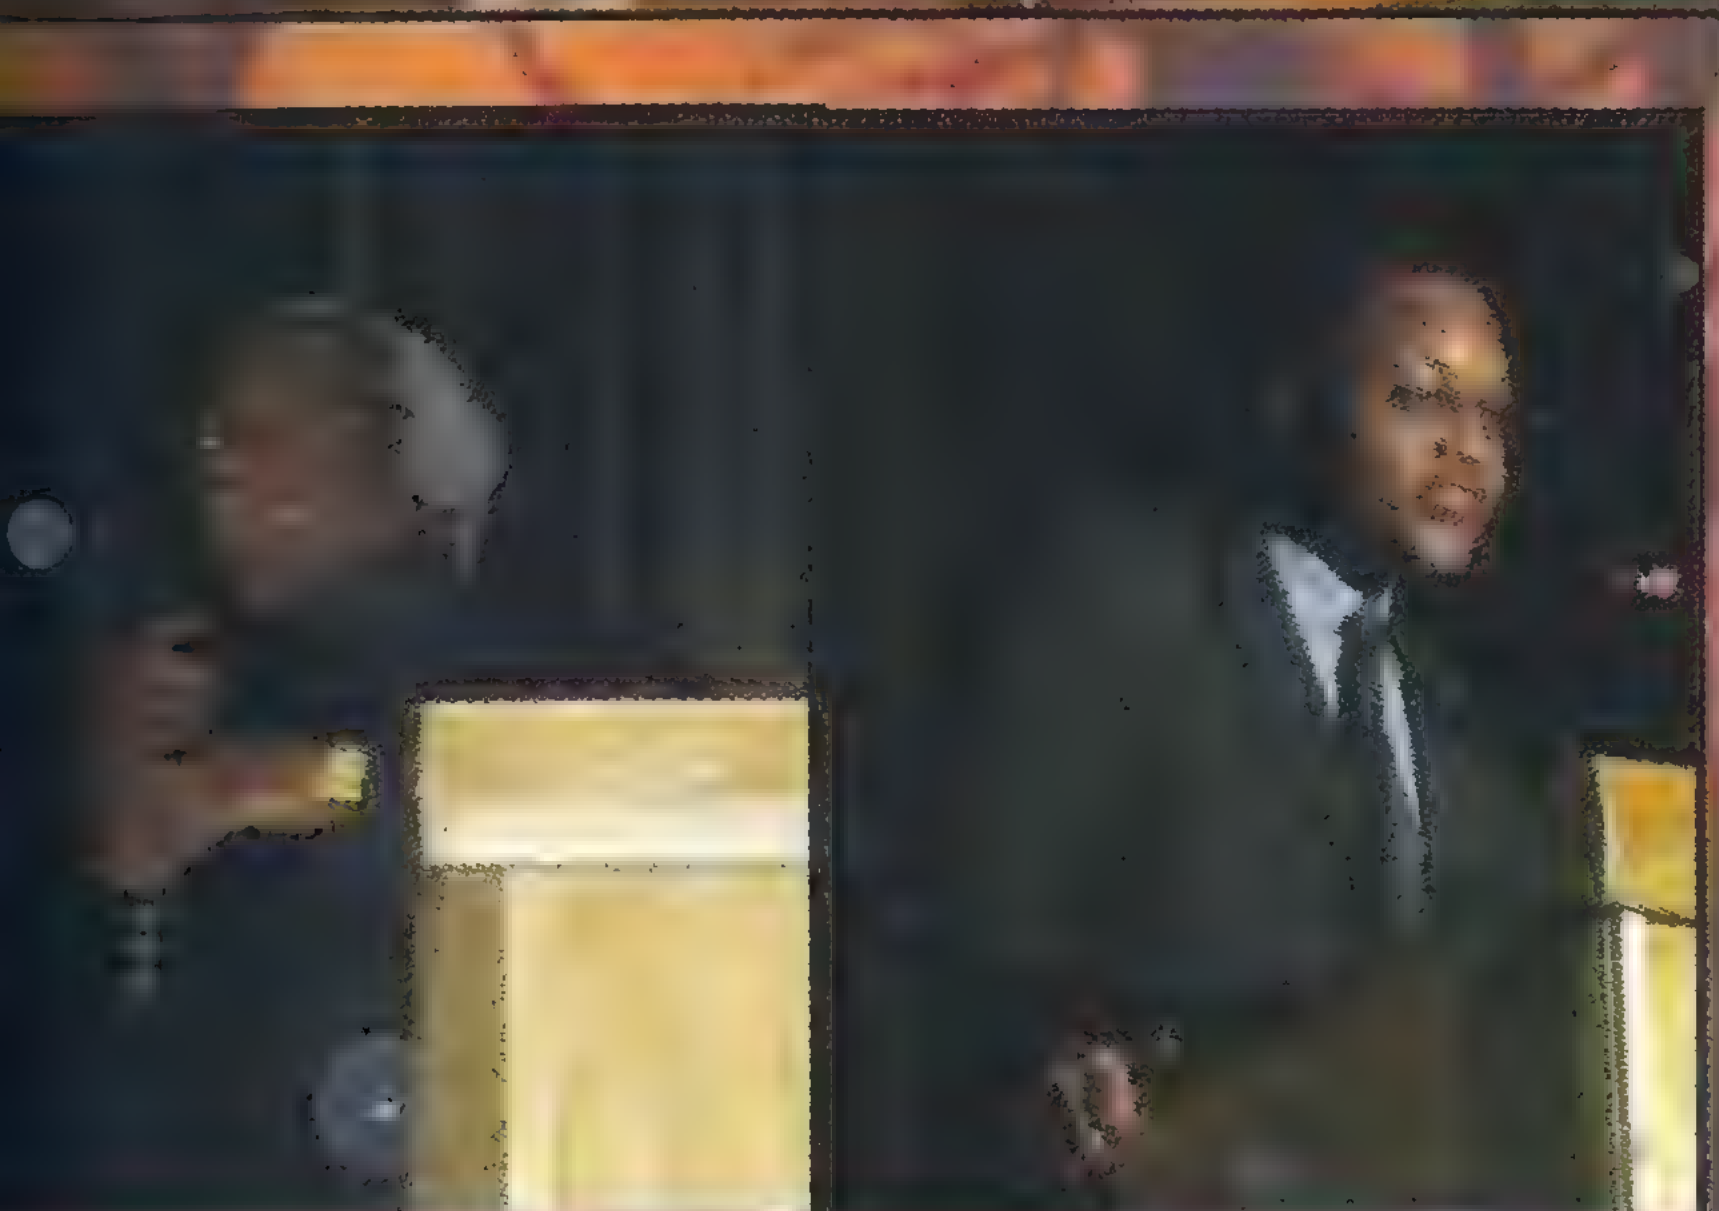

The assembly opened with Okeeno Barnes singing *Lift Every Voice*, known to some as the African National Anthem. A tribute to Rosa Parks came next, followed by dramatic monologues presenting famous personalities from the early days of North American exploration, to the American Civil War, and right up to today.

A short history of Africa before colonialism showcased storytelling and dance traditions. The African fashion show wowed us with its beautiful fabrics, draping and color. It was contrasted with the contemporary urban designs of NISE, a label by Mike, a young African Canadian entrepreneur. The vocal music class then serenaded us with a special song. Each day of the assembly featured a different keynote speaker. On the 23rd, Honorable Justice Tulloch, a Superior Court Judge, spoke to us about the importance of having goals and taking steps to achieve them. On the 24th, Hugh Graham, a Senior Manager at RBC and the president of the Black Business and Professional Association spoke about famous figures in African Canadian history, and what we can learn from them.

The assembly finished with an exciting presentation of traditional African dance by the Senior Dance class. And let's not forget the "special guests" who brought down the house with a dance presentation of their own!

Dance & Drama Show

December 14, 2005

On December 14, Westview was treated to an exciting performance, starring our home-grown dance and drama talent.

Under the artistic direction of Ms. Engesser-Chung, the dance classes showed how their hard work together had paid off as they carried off their complex routines.

Mr. Saltzberg's Drama Club brought us a retelling of A Christmas Carol, with a Caribbean flavor, written by Grade 12 student Terine Ellis. The finale featured the Dance Club, with choreography by Ernesto Santizo. What a great way to finish up before the Winter Break.

On December 7, the music program had its moment in the sun. Mr. Soares' instrumental music, keyboard, and guitar classes were all represented.

Guitar students brought us classic tunes like Stairway to Heaven, Welcome to the Jungle, and Hotel California. The instrumental band presented their take on some Christmas favorites, as well as Dave Brubeck's *Take Five*. The music program at Westview is popular and growing. Semester Two saw the revival of the Vocal Music class, taught by Ms. Goldenberg.

BEAUTY

This year, we decided to devote some space in the yearbook to scenes from Westview's Hairstyling and Aesthetics courses. As you can see, students taking these courses learn a wide variety of techniques, from braiding, perms and updos to color, highlights, skincare, and manicures. They also learn about the business side of the aesthetics industry, such as the design and maintenance of a

working salon. Special "Client Days" allow both students and staff in the school to receive aesthetic services, and give the students a chance to hone their skills on real people!

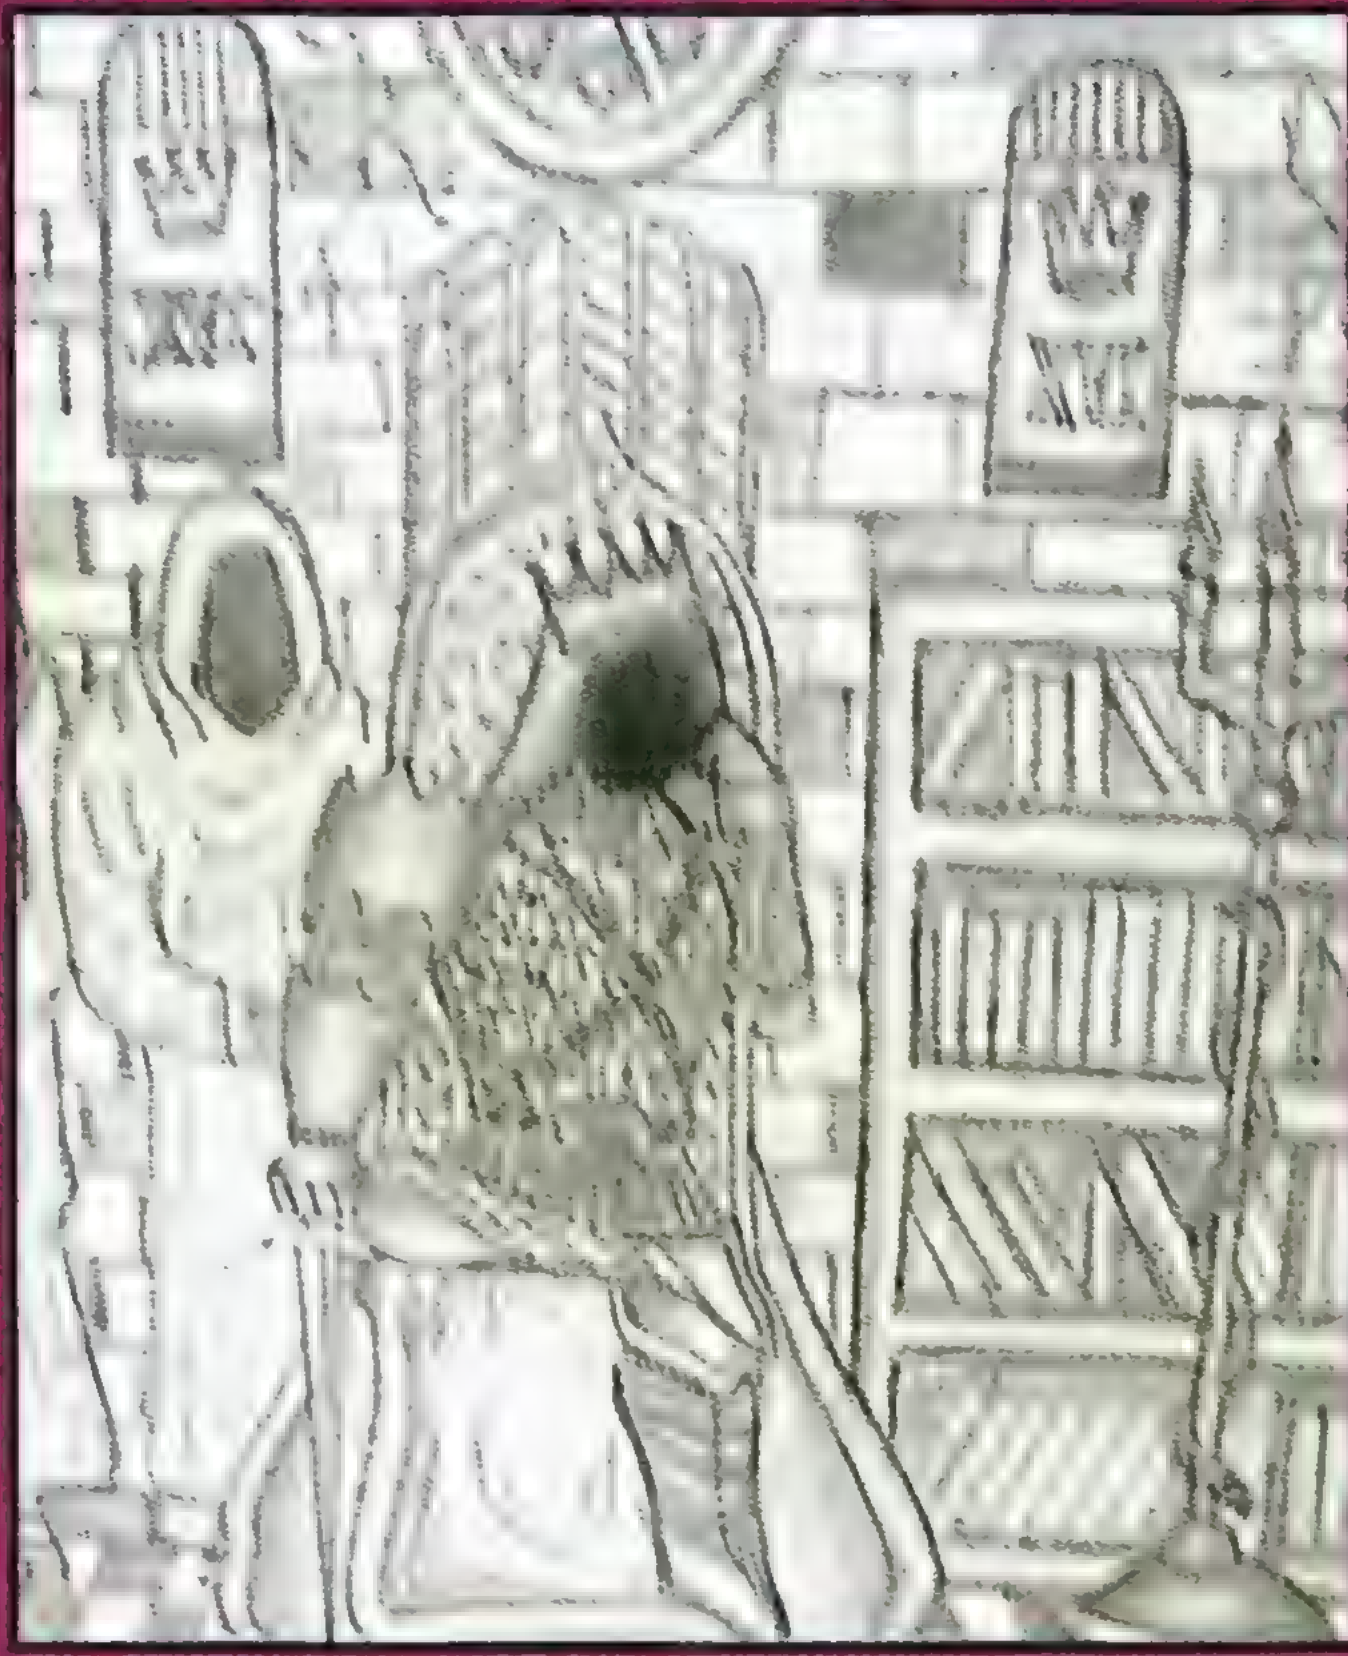

Hairstyling and Aesthetics is taught by Mr. Elgrichi, Westview's very own "Vidal Sassoon"

Spirit Week!

October 17 - 21, 2005

Spirit Week is a chance for students to show off their school spirit

From the jello eating contest to Crazy-Hair Day, this entire week was just an excuse for us to have fun and do silly things. It was a way to make memories and feel more connected with our school. And man, was it exciting this year.

First we had Green Day, where students wore green (no duh!), topped off with the green-jello-eating contest. This was one fierce competition and all the participants were going for the top prize, a well-earned bag of jellybeans.

On Tuesday we had backwards day. Students really got creative, one student wore his shirt backwards, tied his tie on his back and put his glasses on the back of his head. Also on Tuesday, "The Name that Tune" contest was won by Kenny Sisobath.

Wednesday was the time for all of us to show off our whitest pair of white sneakers. We also had "So You Think You Can Dance", a chance for Westview to boogie down and show us

their best moves. This competition was won by the talented Omar Chisolm.

Teddy bear Day was next. Students brought their cutest, most-loved teddy bears. Some brought the ugliest, rattiest ones you have ever seen. Then we had Westview's own version of Canadian Idol. We can all unanimously agree that Champagne Johnson has one amazing voice!

And last but not least, CRAZY HAIR DAY!! Here, Westview popped out its wildest, wackiest, wickedest dos to top off an eventful week of school spirit. Unfortunately Westview's Freestyle Friday did not happen due to some technical difficulties. *Sigh* Oh well, save that talent for next year!! Westview's Spirit Week was definitely one full of SPIRIT!

Jiggy Tyme Again!

On Thursday, December 15, Westview hosted its first dance of the year. The dance gave Westview a chance to loosen up and boogie down. Students faced a stormy winter evening to get to the dance, and they made sure it was worth the effort. The dance was a great event. From the DJs to the light show to the dance floor, the night was full of fun. Thanks to the student council for all the hard work it took to organize the dance, the teachers who came out to supervise, and of course, the students who got their groove on, for making this dance a great success. Watch out for more to come!

My First Westview Dance

by **Ronnata Cobham**

On Thursday, December 15, 2005, Westview held its first school dance of the year. It was hosted by Flow 93.5, the finest station for hiphop music in the Toronto area. I was extremely excited to attend for two reasons: 1) to dance, and 2) to have a good time. At first I was shy because no one (except

my friends) had ever seen me dance. When more people started to join up on the dance floor, I thought that would be a good chance for me to "get my groove on!" I enjoyed dancing to various types of music such as hip-hop, R & B, reggaeton, and more. I especially liked how they mixed all the old and new music together to make it sound more new and improved.

Most of my friends enjoyed dancing to the same songs I did and we had a blast. I can compare both this dance and the dances we had in Grade 8, and say this is by far the best dance I've ever gone to. This was a wonderful and exciting experience for me and I hope there will be many dances like this.

POSITIVE PEER CULTURE PROGRAM

In 1979, a man named Claude Grinmond who worked at Downsview high school brought the Positive Peer Culture program to Westview. According to Ms. Eng (a PPC teacher) the PPC program is a leadership program that offers students the opportunity to develop effective problem solving, decision-making, and interpersonal skills and gives the students the chance to give back to the community. She also says that the PPC program stresses the importance of responsibility and holding oneself accountable for one's action. It also encourages growth through discussion and handling daily problems and concerns that occur in the lives of students. About 2 years ago, the PPC program was barely known at Westview. Today it is used not only by teachers but also by students in order to help them solve their daily problems. The PPC is a unique program that helps students to react to certain situations in a peaceful manner. Downsview and Westview are the only schools that have the privilege to acquire the PPC program. This Program continues to help make Westview a positive learning environment and also teaches the students to give back to the community.

The PPC program provides students with the opportunity to help out the less fortunate by holding food drives and raising money for charity (e.g., hurricane survivors). Earlier this year, Ms. Eng's grade 12 class prepared a memorable Christmas party for the seniors at Yorkview Life Care Center. Most students admitted that they have volunteered at a senior's home before. By visiting the senior's Home it gave the students a chance to talk to the elderly and entertain them in the Holiday season. Students also brought board games to play with the seniors as well as prepared fruit and other healthy treats for the elderly. Ms. Eng's class enjoyed the visit and majority of the students which attended still volunteer their. The PPC program continues to become one of the most popular classes among students and continues to effect change. The PPC program does a lot for our school and community. The PPC program deserves this recognition.

So Ms. Eng, do you like teaching PPC?

WESTVIEW

STAFF IN ACTION

We all have that one special teacher that made our stay here at Westview (if not the best time of our lives) bearable. We can't thank all of them, but we will give a shout-out to those who stick in our memory:

Thanks Mr. Demesie and Ms. Elamad for keeping us back until 7 o'clock at night everyday because you just know how much we love Physics, Algebra and Calculus. Oh and we can't forget your 5 hour-long tests and your 100 pages of ISP work.

Two thumbs up to Mr. Taborek and Mr. Duffin for providing the comic relief our school so desperately needs.

Thank you Ms. Chadha

and Mr. McGee for dealing with all the crazy, panic-stricken students who would really be lost without you. P.S. Peace and Love Mr. McGee!

Merci Ms. Amtmann for teaching us words beyond Bonjour, Au Revoir and Fermez la Bouche!

We are indebted to the entire English department for thoroughly and exhaustively imprinting upon our fragile minds the beauty of the written word. I henceforth promise all those vocabulary drills will be effectively and responsibly utilized.

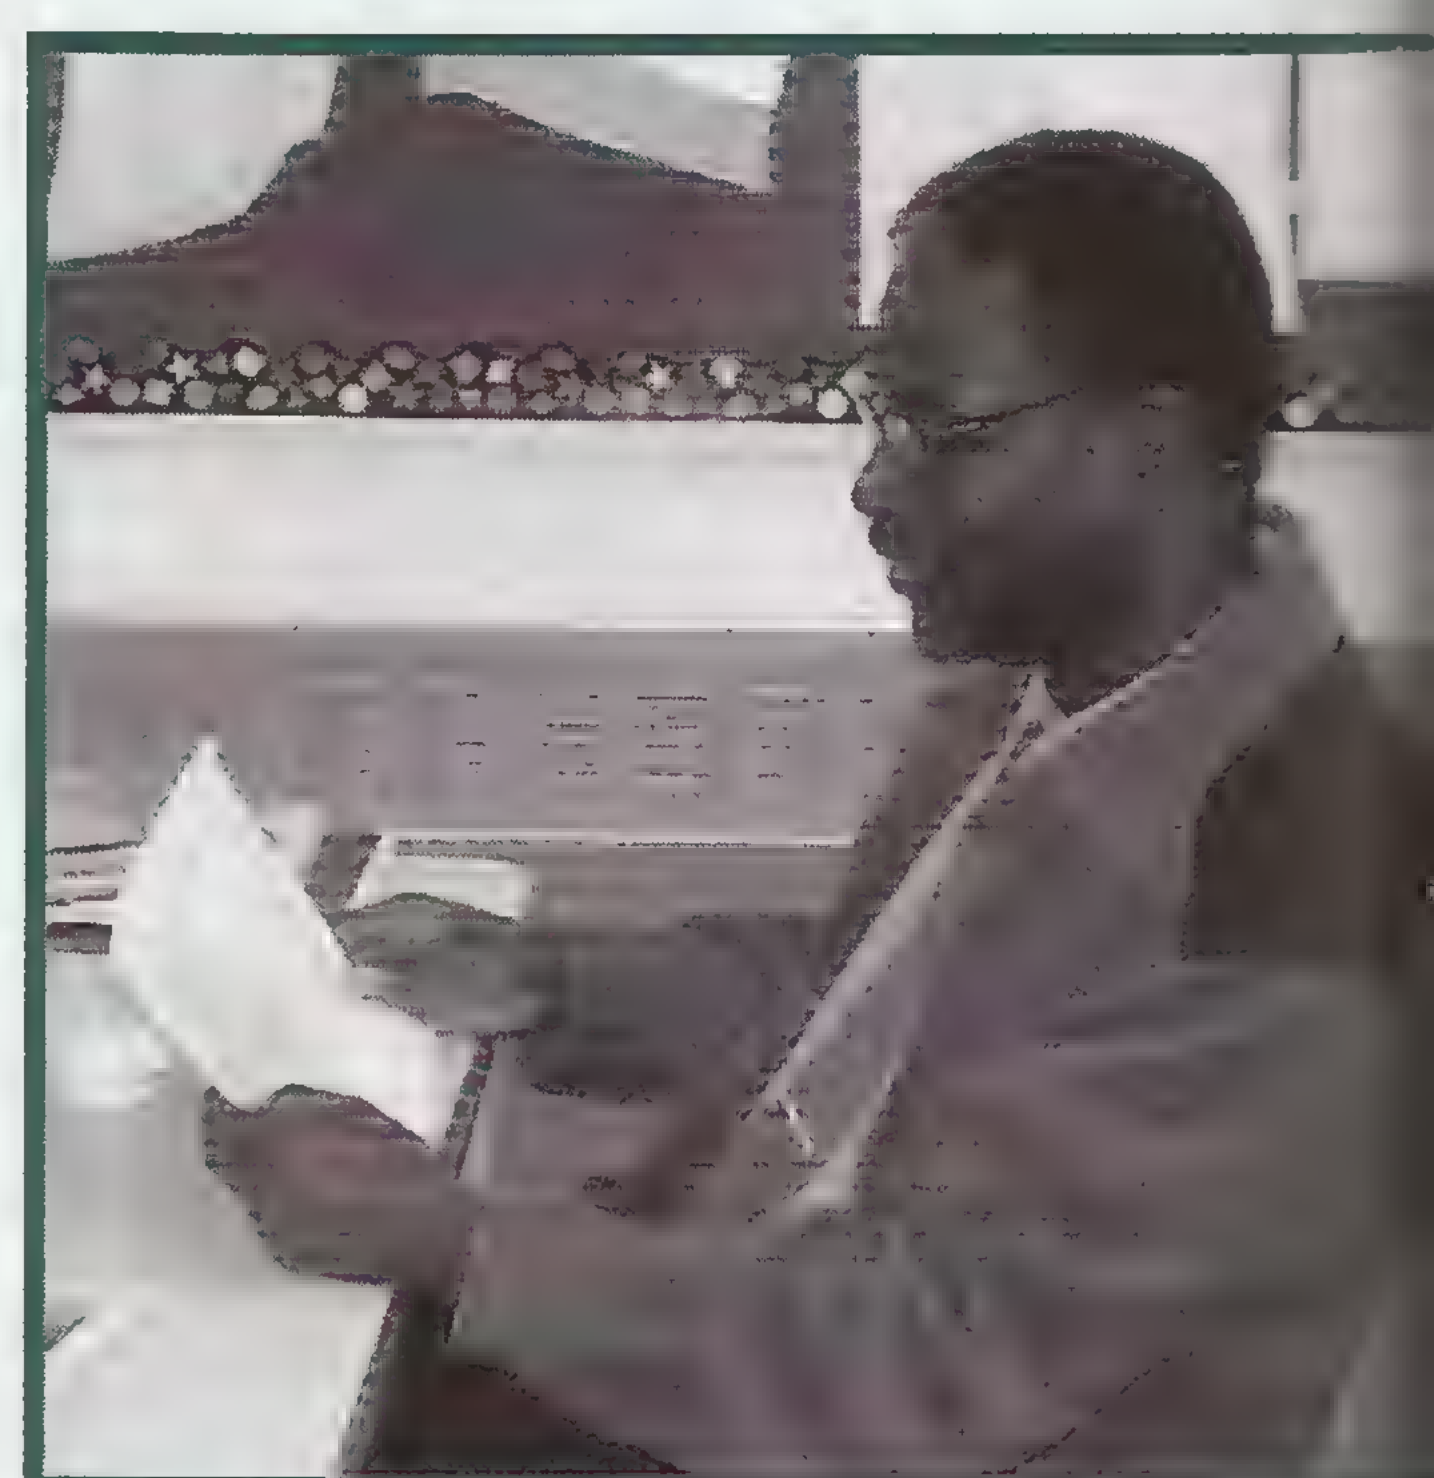

Thank you to both the Mr. Jones for being Westview's very own bootcamp councilors. No

one can enforce the uniform rule like you two can!

A special thanks to Mr. Kao for his excellent sense of style ... oh and you teach math very well too.

Teachers are the most important part of our highschool experience. They not only teach us what the curriculum details, but also how to be responsible members of society. Westview teachers, especially, have gone above and beyond the call of duty for always being there for their students. So on behalf of us grade 12's, we would like to thank you for being so understanding and supportive. We wouldn't be where we are today if it wasn't for you!

Badminton, Badminton, Badminton! This year, Westview's Yearbook was finally able to catch the badminton team! The team started practicing well before their competitive season even began, running laps around the South gym, doing suicides, and many other tiring drills, under the coaching of Mr. Vu. The team had a tough season this year, battling busy schedules, the decrease of team rosters, along with many forfeits due to the lack of girls interested in this thrilling sport. In spite of all these difficulties Westview's badminton team was able to finish off with a very successful season. Tu Tran and David Phandanouvong (Doubles As), Tuan Vu (Singles As) fought their way up to the top in order to participate in the Humber College's Badminton Tournament where all teams played great games. You Rock Badminton players, hope to see more members try out for the team next year, and best of luck to all those leaving Westview!

Junior Boys' Volleyball: Semi- Finalists

A Rookie filled Junior Boys Volleyball team made a great impression during league play winning 7 of their 10 matches, finishing in third place in the standings. Westview was the first team during League play to defeat previously unbeaten team from Newtonbrook. It was no fluke that Westview defeated the Newtonbrook team a second time when they met in the Quarter-finals. In the Semi-Finals matchup against W.L.Mackenzie played outstanding TEAM VOLLEYBALL as they were defeated 25-23, 23-25, 15-11. Congratulations to the ONLY Westview team to make it to the Semi-Finals !!

Senior Boys Volleyball: Quarter-Finalists

This team of experienced players would struggle most of the season as they finished with a 5 Wins 5 Losses record to finish in 7th place in League standings. Even for the Quarter Final loss to A.Y.Jackson the team had difficulty putting their starting players on the court. Westview did however take the first step towards qualifying for AAAA Ofsaa by handily defeating Newtonbrook 25-15 and 25-17, but could not overcome Northview Heights in the next round. Several of the team members are graduating, we wish them continued success and involvement in Volleyball.

2004-2005 Athletes of the Year Awards

Evans Owusu

Evans was a valued member of two school teams throughout his time at Westview. On the Soccer team he was used in several positions, most often as goalie. In Track and Field he committed himself to learning how to throw the javelin, discus and shot put. Javelin was Evans' most successful event, setting a new school record three times in one season, enroute to representing Westview at OFSAA.

Titilope Adeoba

"Titi" was the first female wrestler at Westview and she did the Wildcats proud. After winning a Silver medal at the North Region Final she went on to win a GOLD medal at the TDSSAA Championships and earned the right to represent US at OFSAA. "Titi" was one of the highlighted student athletes in the annual Toronto Star reports.

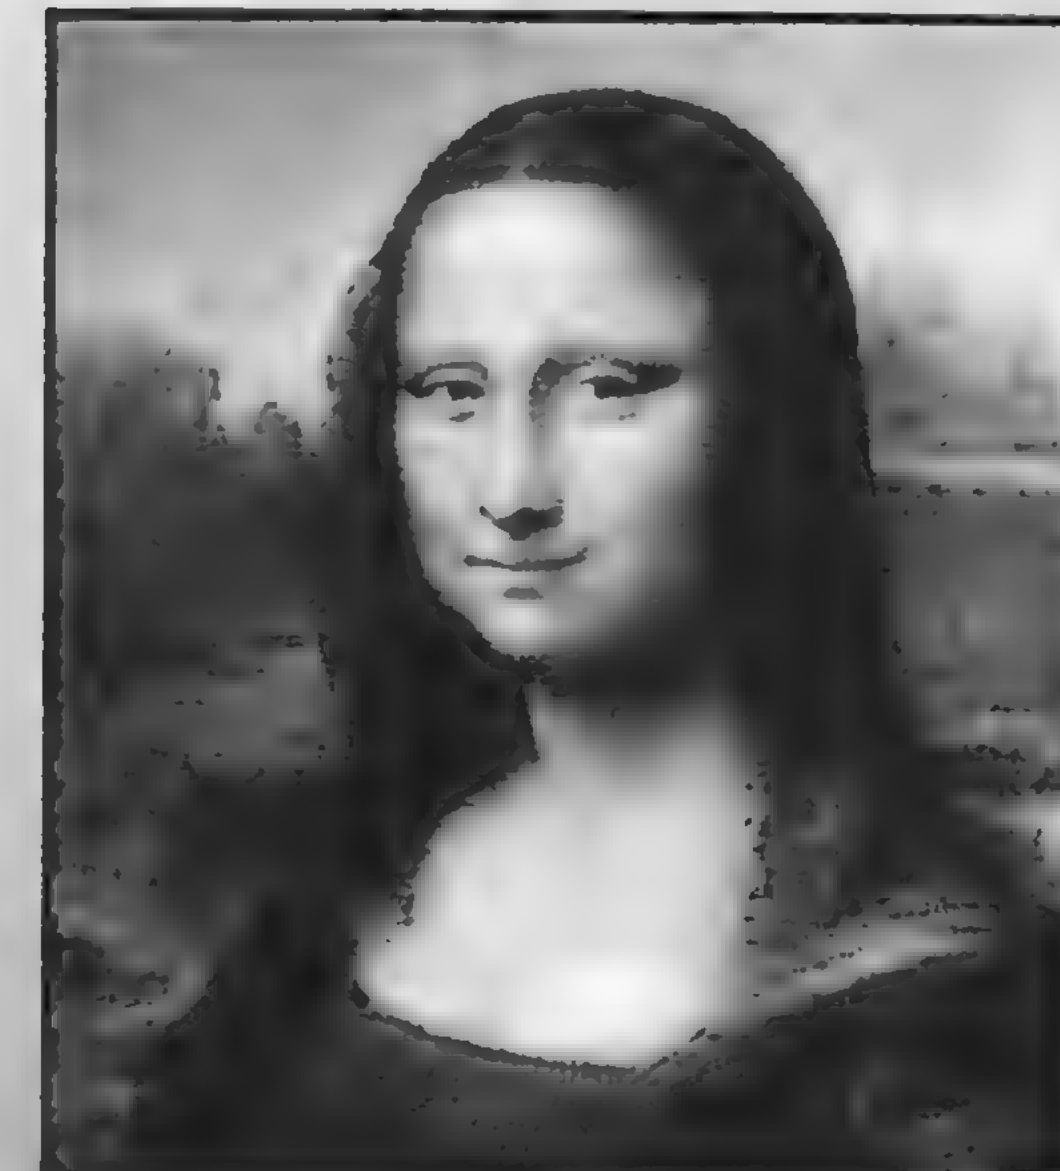

Sashanny Spencer

As a first year Track and Field participant, Sashanny spent many hours training and **earned** the right to represent Westview and the TDSSAA at the Ontario Provincial High School Track and Field Championships in Windsor.

Congratulations!

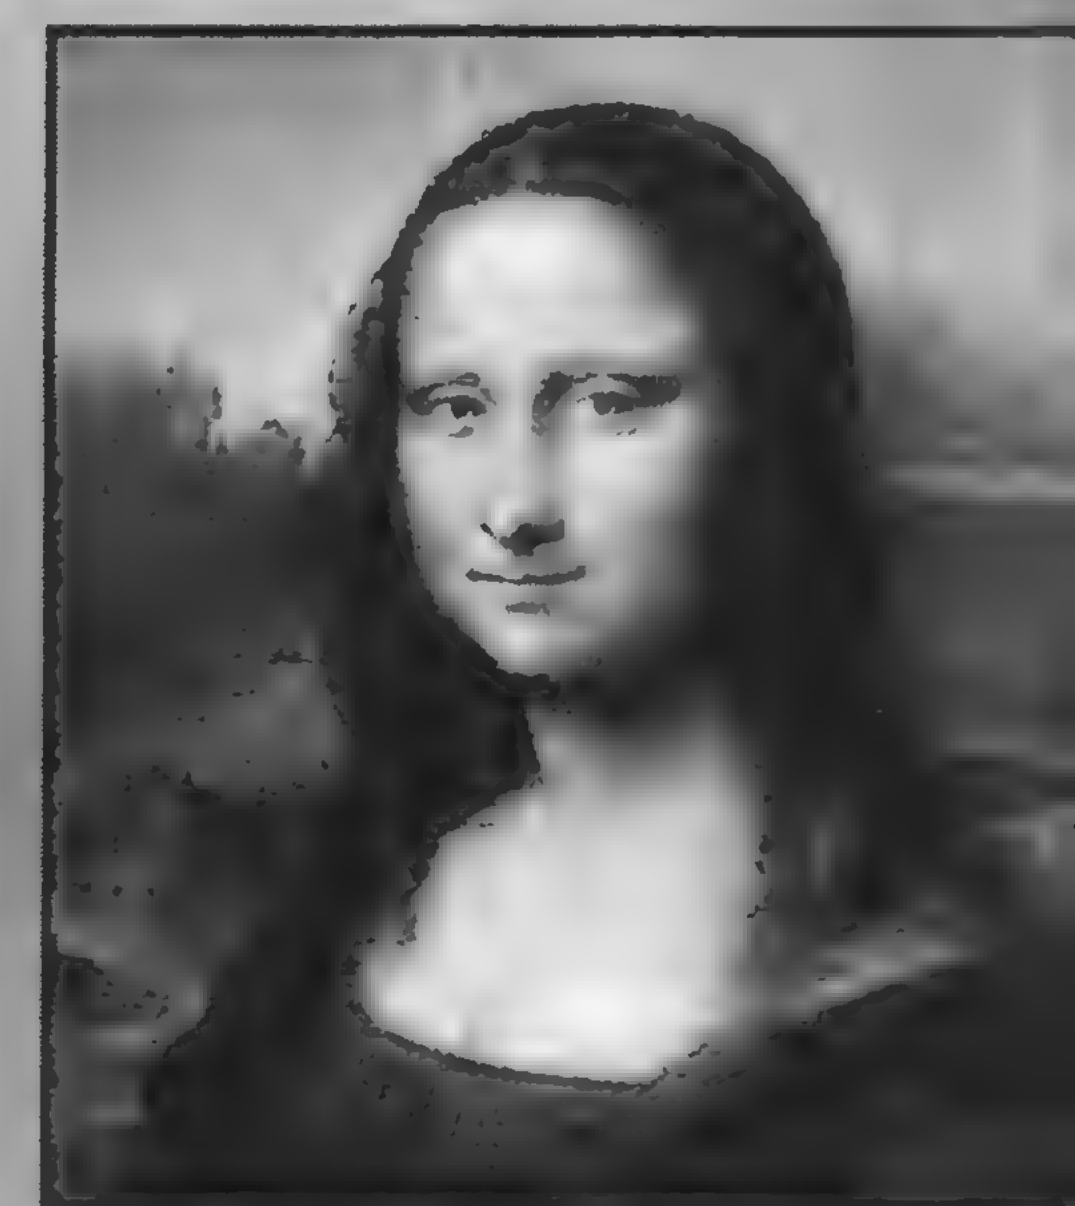

Chris Cephas Johnson

Running fast and jumping far are Chris' strengths. He was a North Region Champion in several events in Track and Field and competed well at the Metro Championship Meet, narrowly missing an opportunity to go to OFSAA.

Many thanks to our student volunteers who continuously contribute to improving the library. You have probably seen them cataloguing, sorting and shelving books, and helping Ms. Braunstein and Mr. Kohn at the circulation desk. But did you know that they also help us to prepare displays for special events and festivities? Library volunteers even participate in selecting the reading materials that Westview purchases for all students to enjoy. Thanks again, folks! Westview appreciates all that you do.

President's Message

As student council president I am very honored to be given the chance to write about my experiences this year. Being student council president is not all fun and games, it consists of a lot of hard work and determination. Student council wouldn't be student council if it weren't for all the other members: Maggie, Andrew, Stella, and Philip. It is because of all of them that this year was quite successful. Being able to represent your school in a respectful manner is definitely an honor. Westview is a wonderful school, filled with wonderful people. This year council worked extremely hard, through difficult times, but eventually overcame the many barriers. Overall, our experiences within student council will never be forgotten.

Rita Aboraah

A Message from the Principal

The creation of a yearbook is a challenging task. My thanks go to the outstanding staff and students who have stepped forward this year to accept this challenge. Together, the yearbook team has captured the spirit of Westview. As you view the images and read the accounts contained in this yearbook, I hope you will be reminded that Westview Centennial Secondary School is a very special place.

Westview is an exceptional learning community because of its dedicated and caring people. Students are challenged to achieve personal excellence by a very supportive teaching team. Staff contributions extend well beyond the curriculum. Students broaden their experience by participating in an extensive co-curricular program. With pride I highlight that many student activities demonstrate the strong social consciousness of Westview students.

A number of students have heard me say that the best moments of a Principal's year happen when he or she has the opportunity to congratulate graduating students as they walk across the stage at commencement. It is an honour to be sharing my first year as Principal of Westview with the graduating class of 2006. I'd like to thank the members of this class for their various contributions to the Westview community and wish them the very best as they continue to pursue their dreams.

Mr. Palermo

YEARBOOK STAFF 2005-2006

This 2005-2006 yearbook is special because so many different people helped to make it. Students came out to the yearbook from every grade, representing diverse interests and groups of friends. Whether they designed amazing layouts, took photographs, wrote articles, or just helped to make us laugh, every contribution was valued. Congratulations to everyone for your hard work and vision. Be proud.

A million thanks to Brent Bourne, our representative from Friesens: We could NEVER have done this without you! Thanks also go out to all the staff at Westview for their support--letting our photographers in when they came knocking at your classroom doors, for encouraging yearbook sales, and for cheering us on in a million little ways.

As you flip through your yearbook, we hope you'll see what we saw as we put it together: a school full of life, activity, talent, and promise. Wherever you go, we hope you take these memories with you. Thank you, students of Westview!

BEST WISHES FOR NEXT YEAR!
